POLICY AND CHARGES

Please read and sign below acknowledging and accepting our policies and treatment.

I thank you for choosing Wholistic Veterinary Care for your pet's wellness care and treatment. We are a holistic facility offering homeopathic treatment, acupuncture, spinal adjustment, herbal therapy, and Bowen therapy. We would be happy to refer you and your pet upon your request to another Veterinarian for allopathic (drug therapy treatment) or a Veterinary Specialist.

I will be choosing the holistic modality that is appropriate based upon my physical evaluation and historical evaluation of your valued family member.

Our current charges are \$265.00 per hour and include all review of records, correspondence with any Veterinarian's involved with your pet's care, all time spent with Dr. Cannizzaro including examinations, medical procedures, and consultations in person or by phone. Diagnostic procedures, medications, supplements, and surgeries are additional charges and not included in the hourly rate.

We have a missed appointment fee of \$100.00 for initial appointments or multiple pet appointments if appointments made either in our office or by telephone are not changed or canceled within twenty-four (24) business hours of your appointment time.

When canceling an appointment, we require all customers to call the office at 727-528-0298 at least twenty-four (24) hours before the scheduled appointment time. Email cancelations are not accepted.
